OBJECTIVES

- Learn advanced methods and herbal formulations rooted in Ayurvedic and modern cosmetology.
- To enhance practical skills in specialized Ayurvedic cosmetic treatments
- To enable precise diagnosis and personalized treatment plans tailored to individual needs
- To encourage young doctors to offer innovative solutions in the evolving field of cosmetology.

BACKGROUND

Enhancing the physical appearance of an individual can play a vital role in boosting self esteem and confidence, thus contributing to the concept of positive health. Cosmetology deals with the art and science of beautifying the hair, skin, and nails and has gained significant advances in the current era.

Ayurveda with its holistic approach towards health, advocates various recipes, practices, and regimens aimed at improving beauty and wellness. Accordingly, the field of cosmetology, despite being under explored, provides one of the most exciting career options for an Ayurvedic doctor. This course aims to provide training for aspiring ayurvedic doctors on an integrated approach in the field of cosmetology, incorporating both modern and ayurvedic concepts and practices, thus enabling them to pursue cosmetology as a career option.
