Batch 5

2 Online Classes per week

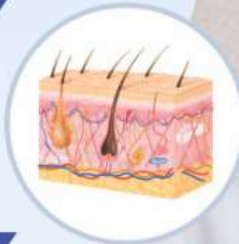

CERTIFICATE PROGRAM ON AYURVEDIC DERMATOLOGY (CAD)

**Expert-led sessions
Self Learning Modules
Interim assessments**

Kottakkal Ayurveda School of Excellence (KASE), a school for continuing, innovative and functional education in Ayurveda, organises a certificate Program on Ayurvedic dermatology

Background

Skin disease accounts for high percentage of medical visits around the world causing significant burden on the society. The pathology of skin disorders and their treatment is a hard nut to crack for the practitioners. Ayurveda and its treatment methods have a lot to contribute in the field of dermatology. A comprehensive & updated knowledge of the basics, pathology & treatment facilitate the practitioner to excel in the treatment of skin disorders.

Objectives

1. To build confidence in evaluating and diagnosing varied presentations of dermatological conditions.
2. To develop the skill of designing a treatment protocol
3. Explore the scope of psychological interventions for specific psycho-cutaneous disorders.
4. To develop an insight of research in dermatology

Highlights

1. Skin presentations: Differentiate between primary disease or secondary manifestation.
2. Diagnostic methods for skin disorders.
3. Relevance of psychiatry in dermatology.
4. Diet & Lifestyle: A vital factor in relapse and remission.
5. Clinical experience of experts.
6. Samhita based understanding of dermatology

07/07/2026 to 25/09/2026
